To Whom It May Concern

Letter of Reference: Hlanganani Consulting Engineers and Project Managers

Johannesburg Development Agency (JDA) has had the opportunity of working with Hlanganani Consulting Engineers and Project Managers on the (Contract No.: JDA 039D8.2\CN006): Design, Construction and Project Management of the Hillbrow to Park Station NMT Implementation Phase 2 – that was completed in June 2016 with a value of R16 362 112.94 (excl. VAT). We have been involved on both phases of this development project over the last two years.

Hlanganani's knowledge of Non - Motorised Transportation (NMT), design methods and standards is of a very high standard. Their skills in project management are outstanding.

We have found the company to be reputable, professional and willing to assist at all times. Mr Kevern Ramborosa and his team are always willing to amend their designs, programme and work methods to suit on site requirements that are often difficult.

Their adherence to project timelines is not without delay, most of which can be attributed to the difficult social and community circumstances that are unique to Hillbrow.

We would not hesitate to recommend Hlanganani for similar work at any time purely on their approachable attitude, keen ability and willingness to complete the work at hand.

Hope that this meets with your favour, however do not hesitate to contact us should you require any further information.

Yours faithfully,

.....
Lerato Kola
Development Manager (JDA)
