### To whom it may concern

The Johannesburg Roads Agency appointed Hlanganani Engineers and Project Managers (Pty)Ltd to undertake the design and contract administration of the following project:

- Contract No : 042/2015
- Name : Construction of Le Roux Avenue from a Single Carriageway to Dual Carriageway from Pretoria Main Road (R101) to Old Pretoria Main Road
- Commencement Date : 16 March 2016
- Completion Date : 21 August 2017
- Construction Value : R44 674 495.62 (excluding VAT)

Hlanganani's performance on the above project was of a high standard. Hlanganani demonstrated professional etiquette in their work and interaction with JRA from the inception of the above mentioned project to date.

The site personnel and management team worked well with the appointed civil engineering contractor and others involved on the project to ensure that quality was achieved without compromising health and safety.

I recommend them for works of a similar nature.
